GREATEST DISASTER IN THE HISTORY OF ODESSA

Hundreds are Killed, Thousands Wounded and Monetary Loss Reaches Many Millions.

HEARTRENDING SCENES OF GRIEF AT BURIAL OF OVER FOUR HUNDRED VICTIMS OF MASSACRE—WITTE PLEDGED TO CONSTITUTIONAL ASSEMBLY PLAN.

By Associated Press.
Odessa, Nov. 7.—The losses by rioting and strikes last week will total many millions of roubles and at least two hundred families have been ruined. Some of the wealthy merchants have been reduced to poverty. Newspapers today, heeding the governor's warning, appeared without a word regarding the greatest disaster in the history of Odessa. The mobs completely devastated all of the Jewish homes in the suburbs of Dniek. Many hundreds of persons are reported killed and thousands wounded in other neighboring villages and towns. Details of last week's massacres at Odessa are gradually leaking out and only add to the horrors. Soldiers slaughtered the defenders of Jewish houses and forty-six railroad men were shot while defending the Jews. There are many instances of ruthless pillaging accompanied with horrible torture by soldiers and rioters.

"MARTYRS TO FAITH; VICTIMS OF AUTOCRACY."

Odessa, Nov. 7.—Four hundred and twelve of the Jewish victims massacred last week were buried today. A majority of the shops were closed in mourning for those belonging to Christians. The scenes of grief were heartrending and almost indescribable as the bodies were placed in tranches, each trench containing seventy. Similar funerals will continue for three days. About 240 of the bodies were in such condition they could not be recognized. On each grave wreaths were placed bearing the inscription "Martyrs to Faith; Victims of Autocracy."

WITTE FAVORS PLAN OF THE ZEMSTVOIST PARTY

St. Petersburg, Nov. 7.—Count Witte has definitely pledged himself to support the plan for the convocation of the constitutional assembly when the Douma meets if single representatives raise the question. He is exceedingly anxious to win the support of the Zemstvoist party which he does not hesitate to declare conforms nearest to his political ideas and which he evidently regards as the strongest, safest and most influential factor in the future political life of the country. The Count has been in almost constant consultation with the leaders of this party but they have steadily refused their allegiance, except on condition of the convocation of a constituent assembly based on universal suffrage. Count Witte has persistently opposed this demand, insisting that the matter was for the Douma itself to decide. At the same time he announces his personal belief that in the end such assembly must be summoned.

PHILADELPHIA REFORMERS WIN OUT

Local Republican Ticket Defeated by Seventy-Five Thousand Votes.

WAS A LANDSLIDE

Many Small Scrimmages But no Vociferous Disturbance.

FIVE HUNDRED ARRESTS MADE FOR ATTEMPTED FRAUD—LARGE NUMBER OF WATCHERS AND POLICE ON DUTY—PRESIDENT ROOSEVELT AND SECRETARY ROOT ADVISED OF VICTORY.

By Associated Press.
Philadelphia, Nov. 7.—Philadelphia has been swept by a reform movement, the City Party ticket winning by a surprisingly large plurality. While the returns are not all in, at an early hour this morning enough is known to indicate the defeat of the republican local ticket by from sixty to seventy-five thousand.

The victory of the City Party carries with it the election of Wm. H. Berry, the democratic and reform candidate for state treasurer. The result has every appearance of a landslide for reform, not only in Philadelphia, but throughout the state.

Contrary to expectation there was no vociferous disturbance in the city today. However, there were many small scrimmages at polling places, especially in thickly settled wards, where the republican organization was very strong and where the city party put up a most determined fight.

At a late hour tonight about five hundred arrests have been made for alleged attempts at fraud. Never in the history of the city were such complete arrangements made for preventing fraud. A large number of watchers and overseers and police were at each of the eleven hundred voting places.

ROOSEVELT AND ROOT ADVISED OF VICTORY

Philadelphia, Nov. 7.—The City Party Chairman Edmonds tonight sent the following telegram to President Roosevelt:

"Philadelphia has risen to the opportunity and stands redeemed. The principle of honesty in government so effectively espoused by you has won an overwhelming triumph. Our majority approximates seventy-five thousand."

The following telegram was sent to Secretary Root:

"The massacre is over. The criminal and corrupt combination has been driven from power by the righteous indignation of a great republican city. We have only begun. Our thanks to you for your splendid aid."

SUFFRAGE ISSUE IS BEATEN IN MARYLAND

Baltimore, Nov. 7.—The News, an independent paper, announces that the proposed constitutional amendment to restrict suffrage and exclude the negro vote has been defeated by a decisive majority.

POSSE EN ROUTE TO BAY MINETTE

One Hundred Armed Men Under Coroner McKenzie Have Reached Mobile.

TROUBLE IS FEARED

Wagons Ready to Remove County Records to Daphne.

SHERIFF AND CIRCUIT CLERK, WHO DEFIED ARREST, BOTH ABSENT FROM BAY MINETTE—RECENT HISTORY OF COURT HOUSE TROUBLE IN BALDWIN COUNTY.

Special to The Journal.

Bay Minette, Ala., Nov. 7.—After an adjournment of court at Daphne yesterday evening a posse of about one hundred men was raised at Daphne and the steamer Carney was chartered immediately to bring them to Mobile; having arrived there they were marched to Bienville Square and there divided into squads or companies in charge of Drs. Schowalter, Mason and Hall and Geo. B. Bryant under the leadership of Coroner McKenzie.

Transportation was arranged for the posse to come to Bay Minette at midnight last night to make the arrest of Sheriff Armstrong and Clerk Voltz. A string of wagons was also sent up the road from Daphne to be held at Bay Minette in readiness to move records etc. out of the court house.

Neither the posse or the teams have yet arrived and for what reason they have been held back is not known. The sheriff and circuit clerk are both absent from town.

All is quiet here but it is thought that the presence of a posse may possibly bring about some disturbance.

RECENT HISTORY OF COURT HOUSE TROUBLE

Special to The Journal.

Bay Minette, Ala., Nov. 7.—Just at this period when the court house matter has come so near reaching a crisis, a little history of the case will not come amiss. In the first place it is a commonly known fact that A. D. McPhaul, who was first appointed coroner by the governor, was forced to either resign his position as coroner or lose his position with the Union Naval Stores Company, which is understood to be a very lucrative one. It is also commonly known and can be proven by competent witnesses that Judge Browne went to the employers of McPhaul and demanded of them that they request his resignation. Judge Browne, and some of his influential friends in Mobile did go to J. F. Bates, of the Union Naval Stores Company, with this demand, and Mr. Bates so stated while in Bay Minette. This statement is substantiated by George W. Burns, J. C. Burns and Julius Richardson. So much for the resignation of Mr. McPhaul.

But this is not the worst of the

ORDER THE L. & N. TO REDUCE FARES

Alabama Railroad Commission Gets Sharply After the Transportation Companies.

By Associated Press.

Montgomery, Nov. 7.—The Alabama Railroad Commission set a precedent today by citing the Birmingham Railway, Light and Power Co. an interurban and traction corporation, to appear before the tribunal and show tariffs for approval.

The commission also ordered the L. & N. railroad company to lower its passenger fares on branch roads in the state to three cents per mile, effective January 1, 1906.

The hearing for the general investigation of cotton rates to mills from all points in Alabama was set for the December meeting of the commission.

ROOSEVELT VOTES AT OYSTER BAY

By Associated Press.

New York, Nov. 7.—President Roosevelt reached Jersey City at seven o'clock this morning en route to Oyster Bay to vote. He took a tug to Long Island City and reached Oyster Bay by special train. He was greeted by but few citizens, as many did not know the time of his arrival. After casting his vote he chatted a short time with friends and left with Secretary Loeb at nine thirty for Washington.

Arrives at Washington.

Washington, Nov. 7.—The president arrived here at four thirty this afternoon.

FOUR KILLED BY AN EXPLOSION

By Associated Press.

Belleville, Ill., Nov. 7.—The press house of the Phoenix powder works, at Phoenixville, a few miles from here, blew up this afternoon killing four men. Several others were injured.

DEMOCRATIC MAJORITY 20,000 IN VIRGINIA

Richmond, Nov. 7.—The democratic majority in the state will be about twenty thousand. The republicans have representation in the present legislature on joint ballot of sixteen. In the next legislature they will apparently have about twenty-five.

TWO NEW CASES REPORTED ON TUESDAY

Fever Situation Continues Satisfactory to Physicians and Authorities.

15 BEING TREATED

Smaller Number Than at Any Time During Past Two Months.

BELIEVED BY MANY THAT THIS WEEK WILL SEE THE LAST OF YELLOW JACK—OVER FOUR THOUSAND PLACES HAVE BEEN FUMIGATED.

Following is the official summary of the yellow fever situation up to last night:
* New cases..... 2
* Total to date..... 562
* Deaths yesterday..... 0
* Total to date..... 80
* Cases discharged..... 467
* Cases under treatment..... 15

The yellow fever situation in Pensacola continues to be most satisfactory to all. Two new cases and no deaths was the official record last night, these two having been under treatment for a number of days, and, therefore, expected to develop. No deaths occurred, and all of the patients now under treatment are convalescent, and, it is expected, will recover.

The New Cases.

The following new cases were reported last night at the Board of Health office:
* Miss Virgie Thompson, No. 419 North D street.
* Lizzie Haynes, No. 415 East Romana street.

Only Fifteen Cases.

Only fifteen cases under treatment was the official report last night, showing that there are now less cases of the fever existing than at any time within over two months, or practically since two weeks after the first cases were discovered. This speaks volumes for the early stamping out of the disease in this city, and it is believed by many of those who are in close touch with the local situation that before Saturday there will not be a single case in Pensacola.

The fumigation work has been thorough, and over four thousand places have been fumigated, and the small number of new cases and the number under treatment is due in a great measure to this excellent work.

All Are Pleased.

Nothing but expressions of satisfaction could be heard from the State Health officials and the physicians last night, when they became acquainted with the report, and all were in better spirits than at any time since the outbreak. All of the medical men have been worked night and day, and they are now enjoying a little rest. The weather which has prevailed for the past few days in the city is anything but favorable for stamping out the fever, but even with this the cases are daily being reduced.

NO NEW TRIAL FOR MRS. CHADWICK

By Associated Press.

Cincinnati, Nov. 7.—Mrs. Cassia Chadwick has lost her last hope for a new trial unless the Supreme Court of the United States interferes. The Circuit Court of Appeals today refused her application for new trial.

Mrs. Chadwick is now in jail at Cleveland under sentence of ten years imprisonment for conspiring to defraud under the National banking law. Her attorney J. P. Dawley declined to say what, if any, further action would be taken.

DEMOCRATS CLAIM OHIO

By Associated Press.

Cincinnati, Nov. 7.—George B. Fox has conceded Dempsey's election as mayor by fourteen thousand plurality and that Pattison has carried Hamilton county by twelve thousand. He says Pattison, democrat, has carried the state by sixty thousand. Democrats are claiming a landslide in the state for Pattison.
